THE ANTLER

Published by
THE SENIOR CLASS
of
ELK LAKE HIGH SCHOOL
Elk Lake, Pennsylvania

DEDICATION

They have understood our problems, assisted us with patience of steel, listened to our complaints with an admirable smile, inspired us with confidence, encouraged us when we were disheartened, and enhanced our chance for success.

Their determined effort to make us satisfied and happy shall always be remembered as one of our most precious high school memories. Words can't express our appreciation for their various contributions; but to show how much we love, honor, and respect them, the 1958 ANTLER Staff dedicates the '58 ANTLER to the PARENTS of the senior class.

SUPERVISING PRINCIPAL

It has been fascinating to watch seven small but distinct communities slowly mould themselves into one new community; a new community with a pride that is reflected in the personal appearance and conduct of the pupils in the Elk Lake Schools.

The Board of Education, at first a group of small individual boards, has become one unit working toward a common goal. The mark toward which it strives is to secure the best educational opportunities to be bought for the boys and girls with the money available. The only reward its members ask is the satisfaction of seeing the boys and girls of Elk Lake live a little better because of the time and effort which they have given.

The members of the faculty of the Elk Lake Joint Schools deserve to be highly complimented for the fine professional spirit with which they have labored to make our schools still better.

As Supervising Principal of your school, I hope that each pupil will be proud to graduate from the Elk Lake Joint Schools and that parents, Board of Education, and faculty may be proud to have each one an alumnus of our school.

Cecil D. Lathrop

United States now stands at the crossroads of progress. Our country has been likened to an awakening giant who is discovering new energies and new ambitions. Our country's progress must be expanded by farsighted young men and women who will accept the Challenge of the future. In that future lies the destiny of the free world. Our time has now come, and if not grasped will be lost forever.

The most important thing for you as youthful citizens is to prepare yourselves more fully for whatever may be demanded of you in the future. Today I believe it is the patriotic duty of every youth to take advantage of every available educational opportunity to become better fitted to perform the tasks that lie ahead.

Sincerely yours,

Merritt M. Light

PRINCIPALS

Congratulations to the Antler Staff, your advisor, and to the many individuals who have made contributions toward this project.

You have devoted a great deal of time and a vast amount of effort in preparing an elementary section in your annual. In behalf of the elementary section of faculty and pupils, I wish to express our appreciation.

Your interests, enthusiasm, courage, and determination have made Elk Lake Joint School a better school for the boys and girls who will follow you. May these splendid qualities accompany you wherever you go. May each of you have a future full of success and happiness.

Sincerely yours,

Andrew Thornton

CLASS HISTORY

RUSH

When we entered our freshman year at Rush High School we had a class of twenty-one. Through our freshman, sophomore, and junior years, class activities consisted of: selling Christmas cards, soup, homemade candy, hot dogs, and soda, having dances and roller-skating parties; and, of course, the Junior-Senior Prom and Junior-Senior Banquet. Our class was unusual, since during our sophomore and junior years we had but one lone boy. This proved interesting both ways.

MESHOPPEN

In our freshmen, sophomore, and junior years at Meshoppen we were honored to have Mrs. Anne Light as our advisor. During our first two years, we enjoyed many class parties. In our junior year, for money-making projects we sold magazines and pennants and had a Halloween party. We presented our play "The Adorable Imp" on April 11th and 12th. This was a huge success, the credit going to Mrs. Anne Light and Mrs. Jeanne Neuser, our directors. The Junior-Senior Prom and the Junior-Senior Banquet were the social highlights of the year. Most of all we enjoyed the thought of becoming seniors.

DIMOCK — SPRINGVILLE

During our freshman year we were a restless group. At Christmas for the first time all year we were quiet—as we pantomimed "Sh Boom" and "Jingle Bells" at assembly. Our sophomore year was filled with various parties. In our junior year as money-making projects we sold Christmas cards, candy and presented our junior play, "The Phantom of the High School"—a mystery which turned into a comedy. We all worked hard on the Junior-Senior Banquet which was a huge success.

ELK LAKE

The Senior Class of the new Elk Lake School consists of fifty-four students from Dimock-Springville, Meshoppen, and Rush. After about a month of the confusion of arranging schedules, getting acquainted with new classmates and new building, we proceeded to work on the yearbook, taking pictures, getting ads, etc. Everyone was quite pleased with his senior pictures this year. Soon we hope to sponsor a dance and later on a senior play. Now we are looking forward to the Junior-Senior Prom, Commencement, and of course, the Washington trip.

LIBRARY CLUB

The Library Club was formed at the beginning of the year. The students help Miss Long in keeping the books and records in order. They also work at the desk, signing books in and out.

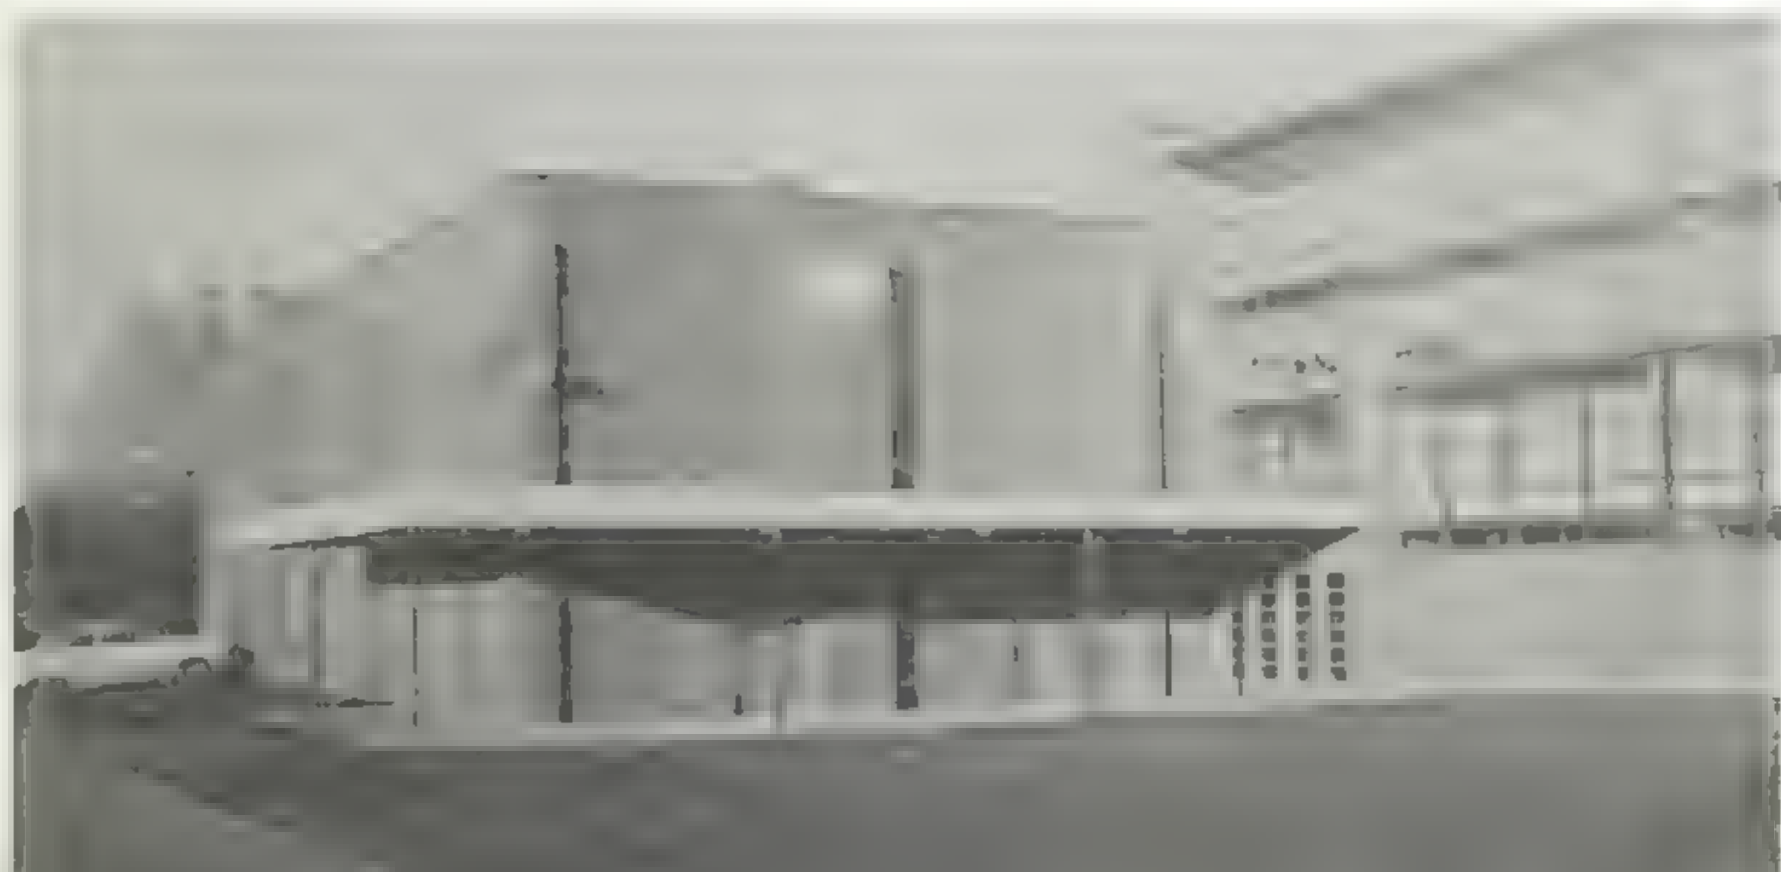

BUS PATROL

The Bus Patrol was formed to help keep order and peace on the buses. Their aid is not only valuable to the bus drivers but also the safety of the students.

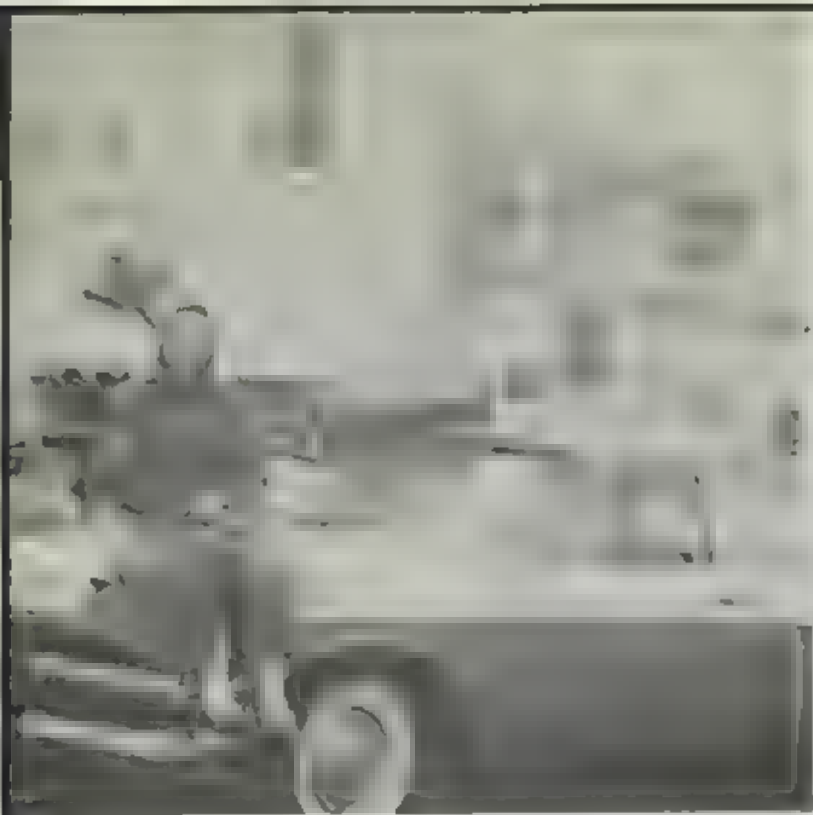

Elk Lake Joint Schools opened August 26, 1957. The building, constructed at a cost of \$1,465,000, was 18 months in the making. Situated on 66 acres of land and about a quarter-mile from the highway on the Meshoppen-Montrose road, it is a modern, two-story designed structure. Approximately 1,200 students, grades one to twelve, from the following areas attend classes there: Auburn, Dimock, Meshoppen, Rush, Monticello and Springdale Twp. and Meshoppen Borough. Elementary classrooms are contained in a single story separated from the high school commercial and academic facilities. Offices and secretary space are located in between the elementary and high school rooms. There is a Health suite which consists of one doctor's examining room, school nurse's office, waiting room, dentist

office, and an audio metric testing room. The structure also contains large gymnasium and bleacher type seats have been installed to view any basketball games played there. The cafeteria seats 400 with kitchen facilities available to cook meals for the more than 1,000 students. Approximately 52 teachers make up the faculty. In the industrial arts section classes will be taught in graphic arts, machine tool work, vocational agriculture (farm mechanics), woodwork, plastics, electricity and welding. A certified librarian, who will serve full-time, and a woman physical education teacher are the latest additions to the faculty. Emerson Wilson, Clarke Green, was the architect.

CHAMPIONS AGAIN

The Elk Lake Baseball Team 1952-57 District 12 Champions won the Susquehanna League Championship on the way to the District Crown again this year.

The team played five games enroute to their league championship. In the opener at Susquehanna a senior, Tom Carter pitched a no-hitter and with hits from Duane Bishop and Ken Price we won 4-0. At Montrose, our perennial rival, the team had a great victory led by Fred Light at the plate. Frank Kropa showed fine stick work at Blue Ridge as the Elk Lake Nine won again. The next game was a heart-breaking loss to Mountain View which tied both teams at the top. To break the tie another game was played. In this one Elk Lake came through with a 2 to 0 victory. Therefore this spring a playoff for the District 12 Championship is in store for the boys.

"WARRIORS"

That perennial bug-a-boo, tramping through the woods chasing deer, was accompanied this year by a series of injuries that plagued the team from beginning to end. To add to Coach Mike Wallace's woes, some 24 inches of scenery snow blanketed this area and pushed basketball practice out of the picture for three weeks. All this, and yet the Warriors of Elk Lake (1) lost only one game in the first half, (2) are currently undefeated in the second half, and (3) were invited to participate in a top-drawer High School Tournament and were nosed out in the finals only by a Class A Dunmore team.

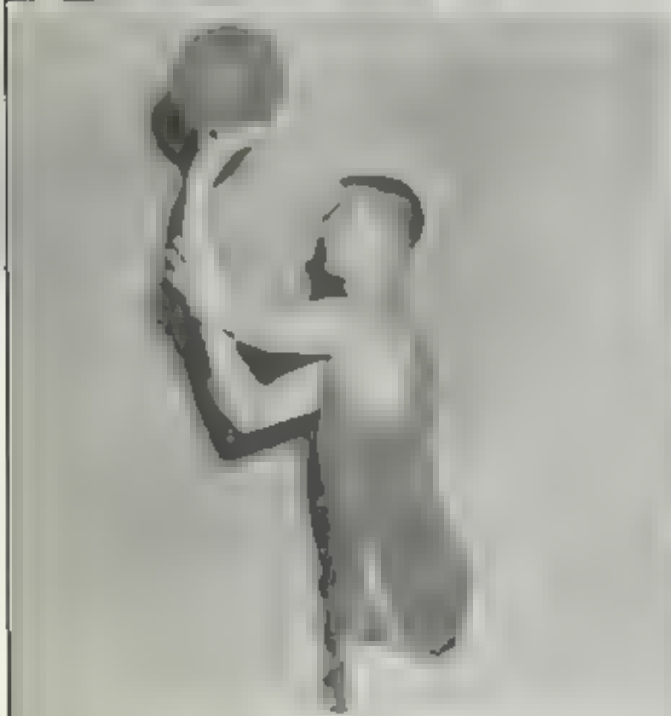

The boys, fortified by a desire to win and stimulated by their well-liked coach, were up when the chips were down. That is the secret for their fine game performances, and the reason why the District 12 Champions continue as the favorite team in Northeastern Pennsylvania.

Much credit must go to such individuals as Debert Wooden (a great ball player widely acclaimed in newspapers and by other coaches), Fred Light (a 150 lb. beacon of play making dynamite), Doug Hall (his jump shots and follow-ups are smooth), Fred Storey (a Demon under the boards and a thorn in the side of the opposition), Charles McLaughlin (a Newcomer who came along fast and now ranks with the best), Tom Carter (a great athlete who feeds the bucket-man like a pro), Dave Brooks (a board man who goes high and gets what he goes high for), Frank Kropa (even a badly injured arm didn't stop this speedster), Louie (a real tough and tough and clever), Duane Bishop (he'll go to Heaven if only because of his fine team play), Ken Price (nobody has a better outside set shot than his), David Dobrosielski (watch this boy go), Dale Button (his buttonhook shot is getting better every day), David Lee (he covers a lot of ground inside), Billy Schlenger (a freshman with a lot of moxie), Sayre Dilmore (he came to us late but still got in).

Congratulations boys, and if you continue in the outside world with the kind of spirit you've shown inside the gym, you'll stay on top.

"THE WARRIORETTES"

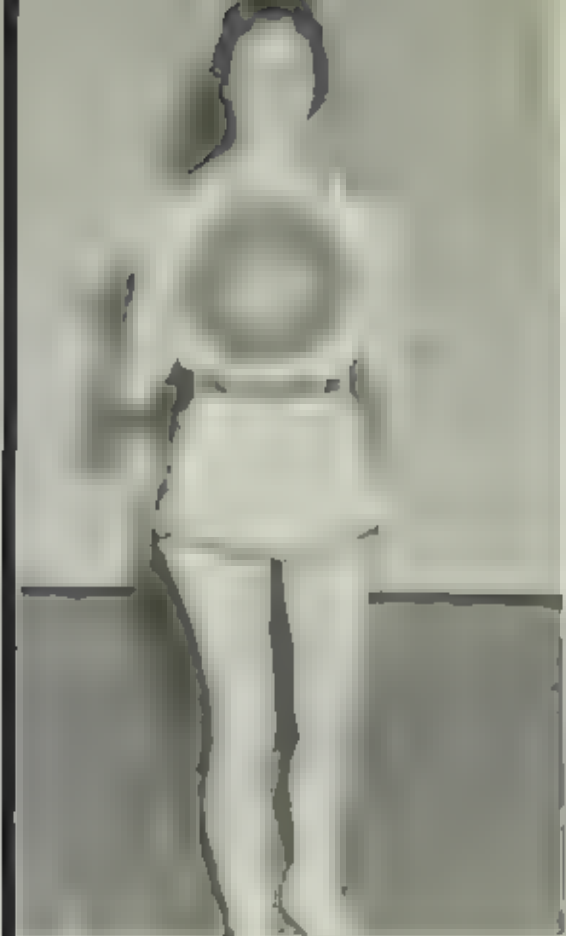

This season the Warriorettes are under the capable leadership of a peppy new coach, Pauline Hessler, a graduate of East Stroudsburg Seniors, with Joyce Schillinger and Claire Barnes as co-captains. Christine Koeb, Betty Avery as forwards, Wilma Button, Stella Skute and Jean Kropa at guard make up about half of the team and much of the "first string" with enthusiastic underclassmen filling the remaining places. Our nurses and "gum-chucker-outers" (alias managers) are Pat Lillis and Janet Hoover, also seniors.

We've made several enjoyable trips to Wilkes Barre and College Mercordia for clinics and scrimmages, besides playing in fourteen exciting league games. These include only two losses this half of the season, one to our biggest rival, Montrose. We are hoping to make these up next half and come out close to the top.
